

**MITSUBISHI
MOTORS**

**OUTLANDER
PHEV**

IT'S THE LITTLE THINGS THAT OPEN YOUR EYES TO THE BIG PICTURE.

NOW MORE THAN EVER, EVERYTHING'S CHANGED.

NO LONGER JUST YOU TO THINK ABOUT.

NOW THERE'S A WHOLE NEW WORLD OF RESPONSIBILITIES, AND A NEW GENERATION OF KIWI KIDS TO RAISE RIGHT.

EACH DAY YOU FIND THE BALANCE BETWEEN LEADING THE WAY OR JUST QUIETLY HANGING BACK.

TODAY IS ONE OF THOSE DAYS. LEAD THE WAY.

MAKE A CHANGE FOR THE NEXT GENERATION, THE NEXT GENERATION OUTLANDER PHEV.

Next Generation Outlander PHEV.

NEXT GENERATION OUTLANDER PHEV.

» MODEL SHOWN OUTLANDER PHEV VRX in White Diamond.

» POWERHOUSE

Completely re-imagined, New Zealand's leading PHEV now takes on more charge for greater range and performance. Chargeable at home off a standard 3-pin plug or fast charge in the city. With up to 84km EV range*, it's the most capable Outlander PHEV yet.

» TECHNICALLY SPEAKING

All-new design and intuitive needs-based technology will have you wondering how you ever did without it.

New levels of driver control through advanced safety aids and clearer real-time communication have created a safer and more enjoyable SUV.

» VISUAL MASTERPIECE

Whichever way you look at New Zealand's iconic family SUV, you'll be impressed with what you see.

The design evolution has given the vehicle a powerful new stance with aesthetically-pleasing new improvements inside and out.

Look closely and you'll see the signature PHEV badge that identifies it as something very special.

*Fuel economy and range figures are based on the ADR 81/02 test for combined urban/extra urban driving. Fuel economy e-CO₂ figures are calculated to WLT-3P. Please note that actual on-road fuel consumption will vary depending on traffic conditions, vehicle load and individual driving styles.

Good for the family.

THE STRIKING NEW OUTLANDER PHEV DELIVERS NEW LEVELS OF COMFORT AND SAFETY FOR THE WHOLE FAMILY.

Whichever way you look at New Zealand's favorite family SUV, you'll be impressed with what you see. Every part of the vehicle has been re-imagined with the needs of Kiwi families in mind. Next level refinements have made **Outlander PHEV** even safer and more capable.

Mitsubishi engineers set the bar even higher for this next generation **Outlander PHEV**, delivering increased range and performance. With its twin synchronous electric motors extending the pure EV range up to 84km*, most daily running around or family trips out for brunch can be achieved without burning a drop of fuel. Longer distance road trips can also be enjoyed without range anxiety.

A new design philosophy has produced a stunning evolution of the iconic **Outlander PHEV**. Bold new styling from the all-new grille and light cluster to the wider more muscular body shape give the vehicle a powerful sure-footed stance.

*Fuel economy and range figures are based on the ADR 81/02 test for combined urban/extra urban driving. Fuel economy e-CO₂ figures are calculated to WLT-3P. Please note that actual on-road fuel consumption will vary depending on traffic conditions, vehicle load and individual driving styles.

» MODEL SHOWN Outlander VRX in White Diamond.

20-inch machine-finished alloy wheels** mated to Mitsubishi's proven Super-All Wheel Control system ensure a safer and more comfortable ride for the whole family.

**Available on XLS e-VRX models.

Relax, you've got this.

The minute you start the car, a full suite of driver aids and safety features surround and protect you.

New levels of comfort and thoughtful tech innovations will soon have you wondering how you ever did without them.

Push the start button, and in that moment, you become the centre of attention. All you'll hear is silence as the twin electric motors wake a galaxy of technology that instantly link together to take care of you.

Apple Carplay wirelessly mirrors your iPhone to the Smartphone Link Display Audio system presented on the centrally mounted 9-inch infotainment screen.

We know you're going to enjoy this drive. So, place that coffee in a cup holder, ask Siri to phone a friend and get out there.

*Available on XLS & VRX models.

» MODEL SHOWN OUTLANDER PHEV VRX with light grey interior.

Your happy place.

CREATED TO DELIVER EXCEPTIONAL LEVELS OF COMFORT AND SAFETY TO EVERY MEMBER OF THE FAMILY, THERE IS NOTHING LIKE THE NEXT GENERATION OUTLANDER PHEV.

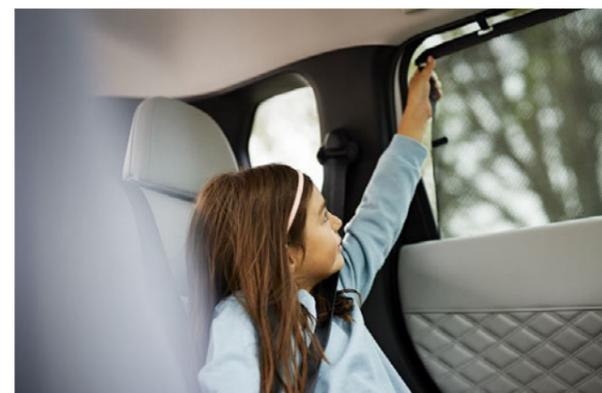

» CONCERT HALL SOUND
A premium 9-speaker Bose® Audio sound system is integrated into the Outlander PHEV VRX.

The open and spacious cabin invites you in, while the new slimline dash housing the 9-inch infotainment screen presents a clean uncluttered cockpit. Above you, the panoramic powered sunroof* fills the cabin with natural light.

Aesthetics have been a major focus with this redesign.

Beautiful on-trend materials and textures have been applied to the controls and driver touch points. The VRX model offers a choice of interiors in either black or light grey, with exquisitely quilted leather-appointed seats and door trims.

» HOW COOL
Set into both rear doors on the VRX you'll find integrated pull-up sunshades to keep the hot sun off the tamariki.

» YOUR CHOICE OF INTERIORS
VRX models are offered with either light grey or black quilted stitched interiors.

The new wider body allows more space for both front and rear passengers. The centre console is wider too, offering up the gear shift and 7-option drive mode selector.

As soon as you start the vehicle, your iPhone seamlessly connects to the smartphone link display audio system with wireless Apple CarPlay for your apps, communication, navigation and audio.

An acoustically adjustable premium 9-speaker Bose® Audio sound system** is integrated into the vehicle, offering a concert hall listening experience for the whole family.

An emphasis on new levels of passenger comfort delivers 8-way power-adjustable front seats with heated front* and 2nd row seats**.

Keeping the hot sun off the tamariki in the back has been taken care of as well with integrated pull-up sunshades** set into the rear doors.

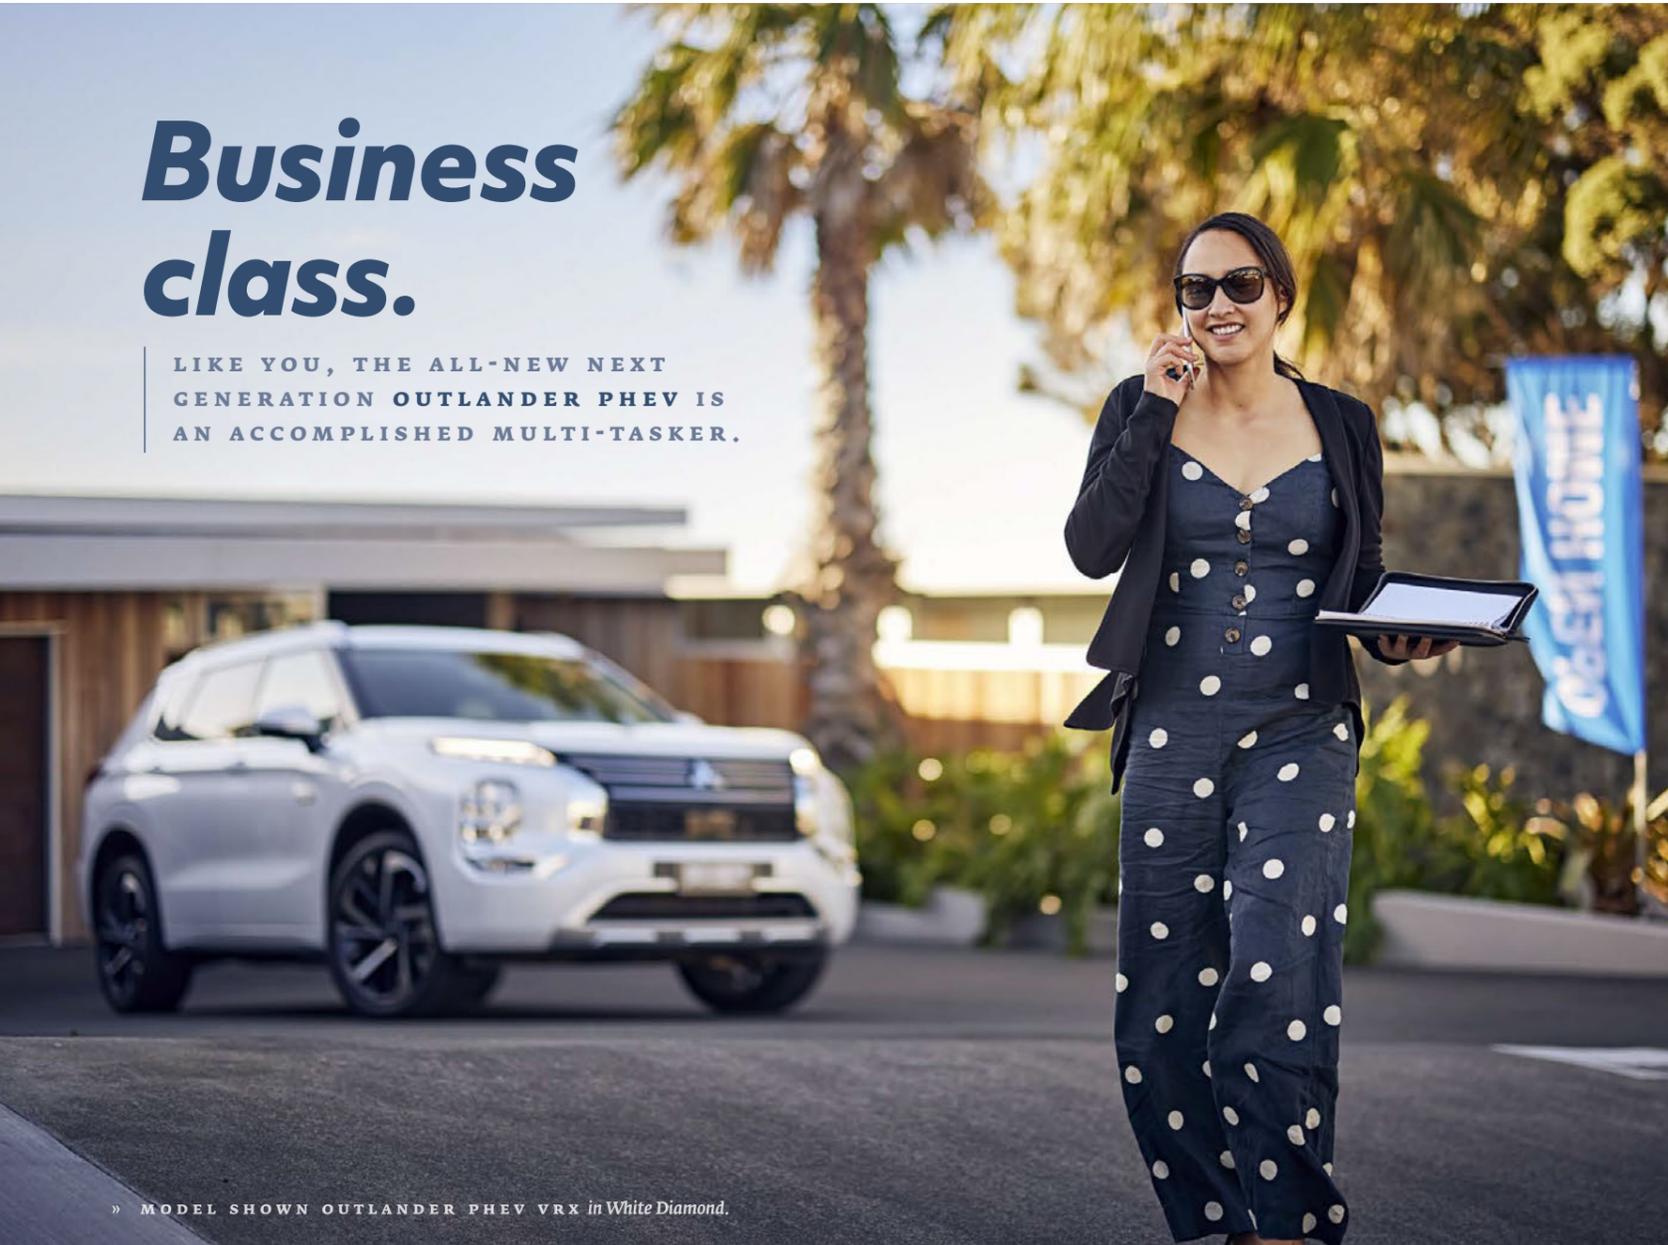

*Available on XLS & VRX models.
**Available on VRX model.

Sshhhhhh.

Business class.

LIKE YOU, THE ALL-NEW NEXT GENERATION OUTLANDER PHEV IS AN ACCOMPLISHED MULTI-TASKER.

» MODEL SHOWN OUTLANDER PHEV VRX in White Diamond.

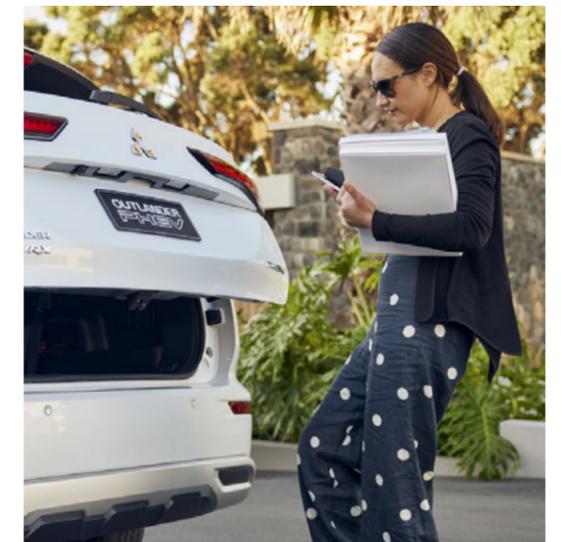

» PORTABLE POWER (RIGHT)
On the VRX model there are two 1,500 watt power outlets (220-240V) which can be used to run standard appliances or as your families' back-up emergency power supply.

» COMFORT AND STYLE (FAR RIGHT)
Premium stitched quilted leather-appointed seats and door cards.

Getting the kids off to school is the first task of the day, then you've just enough time to grab a coffee and get set up for that first meeting.

Calm and collected and ready for the day's tasks, the Next Generation **Outlander PHEV** morphs effortlessly from a 7-seat[†] school bus into your mobile office. With on-trend looks and an interior as good as any presentation space, the **Outlander PHEV** understands a thing or two about what makes your day run that little bit smoother. A powered tailgate** makes loading and unloading a breeze and the revolutionary 3-pin power points that allow you to run any standard appliance from a printer to a laptop.

» POWERED TAILGATE
The power-operated tailgate** opens and closes with the push of a button.

[†] 7 seats available on XLS and VRX models.
*Available on XLS & VRX models.
**Available on VRX model.

The quiet life.

JUST THE THING FOR A QUIET NIGHT OUT.

At the heart of the **Outlander PHEV** energy system is technology that seamlessly merges the silent twin electric motors with the 2.4 litre MIVEC petrol engine. Directly in front of you the 12.3-inch Digital Driver Display screen will show you the car's energy flow and drive modes.

You can use the information on the screen to monitor the vehicle's efficiency and performance, choosing to run in the mode you want. Select the EV mode to prioritise electric running or choose to engage the 2.4 litre MIVEC petrol engine to save or charge the battery.

Chargeable at home off a normal 3-pin power socket, or from one of the growing number of public EV charge stations. Charge up on one side, fuel up on the other.

» MODEL SHOWN OUTLANDER PHEV VRX in White Diamond.

» WHEREVER THE MODE TAKES YOU
A selection of EV drive modes is at your fingertips.

» FULLY CHARGED (LEFT)
Charge at home or at any of the growing number of public EV charge stations.

» MODEL SHOWN OUTLANDER PHEV VRX with light grey interior.

A safer, more comfortable drive.

YOU'LL FIND A FULL SUITE OF DRIVER COMFORT & DRIVER ASSIST SYSTEMS IN YOUR NEW OUTLANDER PHEV.

On any day in New Zealand you're likely to encounter a diversity of road surfaces. The centrally mounted drive mode selector allows you to scroll through different road surfaces to select the correct one, ensuring better safety and handling. Your selection appears on the driver's display screen directly in front of you.

This means you needn't take your eyes off the road to check your speed. All your apps, communication, navigation and audio are on the infotainment screen right at your fingertips, while you can comfortably alter the cabin light ambience with the panoramic sunroof*.

In addition, the ever-vigilant Super-All Wheel Control system makes sure you have optimum adhesion, whatever surface you're running on.

The game-changing head-up display* safety feature projects your speed, the speed limit and advanced safety information directly in your line of sight on the windscreen.

» DRIVE MODE
A picture's worth a thousand words and communicates your drive mode quickly and clearly.

» EYES FRONT (RIGHT)
You're looking at a safety game-changer and also your speed projected onto the windscreen directly in front of you.*

» COMMAND & CONTROL (FAR RIGHT)
All your apps, communication, navigation and audio are here on the 9-inch dash mounted screen.

*Available on VRX model.

Roadie.

CAPABLE OF EMISSIONS-FREE CITY
COMMUTING AND LONG-DISTANCE
ROAD TRIPS, YOU'RE FREE TO ROAM.

Space & grace.

Packing the car for a day out with the kids means you sure need a lot of space to stow things. The new **Outlander PHEV** has that sorted too, with several split seat options and even a third row of seats that fold up from the floor should you need 7 seats.*

There are 4 drink bottle holders, 6 cup holders and even a space to stow your sunglasses.

The bold new grille features a split headlight design, setting razor-thin LED daytime running lights high on the bonnet line. Here you'll also notice the golden sequential turn indicators. The 3-zone light cluster below contains the high and low-beam driving lights with LED fog lights below.*

Machine-finished 20-inch alloys* complete the bold new look.

» MODEL SHOWN OUTLANDER PHEV VRX in White Diamond.

» LIGHT THE WAY (FAR LEFT)
The striking new Outlander PHEV grille features LED daytime running lights and golden sequential indicator** lights integrated into the bonnet line. Beneath them, high and low-beam headlights and LED fog lights* glisten like cut crystal.

» SAFETY & BEAUTY (LEFT).
Stylish 20-inch machine-finished alloy wheels* grip the road providing constant feedback to the Super-All Wheel Control system.

*Available on XLS & VRX models.
**Available on VRX model.

At your service.

THE NEXT GENERATION OUTLANDER PHEV DELIVERS EXCEPTIONAL VALUE FOR KIWI FAMILIES.

Not only is the vehicle more accommodating and more capable, it now delivers more safety features than ever before. Next level refinements and design upgrades, new high-quality materials, new seating, climate control, entertainment and storage make the **Outlander PHEV** an even better match for you and your family.

New driver aids and safety technology like Head-Up Display*, Traffic Sign Recognition, Rear Cross Traffic Alert and Driver Attention Alert complement features like Forward

Collision Mitigation, Lane Departure Warning, Blind Spot Warning, Adaptive Cruise Control, Parking Sensors and Rearview Camera that we've all come to rely on. All this in a vehicle that can take you and your family on your daily commute without using a drop of petrol and yet still take you out to the countryside on those long-distance road trips.

The Next Generation **Outlander PHEV**. It really is our most accomplished PHEV yet.

YEAR YEAR

8 
YEAR BATTERY
WARRANTY

A VERY WELL MADE WARRANTY

There's no better protection for your new Mitsubishi than our **Diamond Advantage Warranty**. Whichever Mitsubishi you see yourself in, wherever the road takes you, you'll be thoroughly covered from bumper to bumper.

Our **Diamond Advantage Warranty** comprises a **10 year / 160,000 km powertrain warranty** that covers everything from engine to axle; a **5 year / 130,000 km new vehicle warranty**; and **5 years' Premium Roadside Assist**, which looks after you if the unexpected should happen. It's the warranty designed for complete peace of mind.

The Outlander PHEV battery is covered by an 8 year/160,000km warranty, which is very reassuring protection for one of the vehicle's main components.

Visit mmnz.co.nz for terms and conditions
